

## THE CORPORATION OF THE **TOWN OF COBALT**

**The Cobalt Fire Department has issued a fire ban for the Town of Cobalt effective July 5, 2019 at 8:00am.**

**An extreme forest fire rating along with warm, dry temperatures and a lack of precipitation has prompted a fire ban for the Town of Cobalt.**

**The ban will be complete (i.e. no fireworks, no recreational, no non-recreational open burning, no cooking or warmth open air burning permitted).**

**All open-air burning permits are suspended, and no new permits will be issued.**

**At this time, we are experiencing very dry conditions in the area and this will remain until we receive significant rainfall.**

**Shawn Hearn, Fire Chief**

**Town of Cobalt**
