

### **Please Reduce Your Water Usage**

The Town of Cobalt is currently undergoing upgrades on the Water Treatment Plant which is expected to be ongoing from July to September. Residents are asked to please reduce their water usage to help conserve during this period of time. The Town of Cobalt would like to thank you for your co-operation.

Ways to reduce usage:

1. If you live on an odd numbered side of the street, limit your outdoor water usage to odd numbered days.
2. If you live on an even numbered side of the street, limit your outdoor water usage to even numbered days.
3. We request **NO OVERNIGHT** watering

For more information, please call the Municipal office.
