## Summary Memo – Field Work - Reclamation

### Type of field work:

Crown pillar drilling investigation targetting historic underground mine workings on the Nipissing Hill RL404 property. Snow clearing and minor site grading will be completed as required. Temporary lane closure along Nipissing Road will be required to provide safe access to drilling crew.

### Where:

Coleman Township - South-East of Cobalt (see map below)

### Ownership of Property:

Agnico Eagle     Surface rights to private (name): \_\_\_\_\_

### When:

April 8, 2019 - April 17, 2019

### How long:

The drilling investigation is scheduled to last between 7 to 10 days.

### By whom:

Work to be completed by Orbit Drilling under direct supervision of Golder Associates Ltd. - mine engineering consultant working in the area for the past 25 years. The investigation will be supported by Pedersen Construction.
