DID YOU KNOW?

Property Taxes are calculated using the assessed value of your property and multiplying it by the municipal and tax rate(s) for your property class. The Municipal Property Assessment Corporation (MPAC) determines the value of your property and is shown on property assessment notices sent to each property owner by MPAC. Education tax rates are set by the Government of Ontario and are also applied to your assessed property value. The Town of Cobalt collects the education portion of property taxes and then remits to the school boards based on a Ministry of Education formula.

- Final Tax Bill will be sent out at the beginning of August 2022 with due dates of August 31 and Sept 29, 2022. Please save your tax bills as you may require them for future reference or for income tax purposes.
- If you have a change of address, please notify the Municipal Office as soon as possible to fill out a "Mailing Address Change Form". Bills will only be sent to the address currently on file.
- Parents registering their children for sports within the City of Temiskaming Shores may qualify for reimbursement of the "Out of Town User Fee" portion of the registration fee. Visit www.cobalt.ca for more information.
