SECTION 1
ADMINISTRATION

1.1 TITLE

This By-law may be referred to as "The Zoning By-law of the Town of Cobalt."

1.2 AREA AFFECTED BY THIS BY-LAW

This By-law applies to all lands, islands and lands under water within the Town of Cobalt.

1.3 BUILDING PERMITS

The requirements of this By-law must be met before a Building Permit is issued for the erection, additions to or alteration of any building or structure.

1.4 ENFORCEMENT

Any person convicted of a violation of this By-law is liable on first conviction to a fine of not more than \$25,000. and on a subsequent conviction to a fine of not more than \$10,000. for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with Section 67 of The Planning Act RSO 1990c.13.

Any Corporation convicted of violation of this By-law is liable on first conviction to a fine of not more than \$50,000. and on a subsequent conviction to a fine of not more than \$25,000. for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with Section 67 of The Planning Act RSO 1990c.13.

In case any buildings or structures or any part thereof is to be erected, altered, reconstructed or extended, or any lot is being used or is to be used, in contravention of any requirement of this By-law, such contravention may be restrained by action at the instance of any rate-payer or of the Municipality pursuant to the provisions of The Planning Act, RSO 1990 C.13 as amendment and/or the Municipal Act SO, 2001 C.25 as amended and/or any other legislation applicable.

1.5 SEVERABILITY PROVISION

A decision of a Court that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 REPEAL OF EXISTING BY-LAWS

Upon this By-law coming into force and effect, By-law No. 2006-13 of the Town of Cobalt and all amendments thereto are hereby repealed.

1.7 EFFECTIVE DATE

This By-law shall come into force the day that it was passed where there are no appeals filed or where appeals are filed, where all of the appeals are finally disposed of by the Ontario Municipal Board.

1.8 USE OF LAND

No lands within the area covered by this By-law shall be used for any purpose unless as otherwise permitted by this By-law.

SECTION 2
ESTABLISHMENT OF ZONES

2.1 ZONES

For the purposes of this By-law, the following Zones are established and they may be referred to by the name or by the symbol set opposite the name of the zone below:

R1	-	Residential Type One
R2	-	Residential Type Two
R3	-	Residential Type Three
RU	-	Rural
C1	-	Downtown Commercial
C2	-	Highway Commercial
M1	-	Light Industrial
M2	-	Heavy Industrial
M3	-	Extractive Industrial
I	-	Institutional
OS	-	Open Space
EP	-	Environmental Protection
HZ	-	Hazard

2.2 ZONE SCHEDULE

The Zones and zone boundaries are shown on the attached Schedule 'A', which forms part of this By-law. Schedule 'A' is comprised of a series of Maps.

2.3 SPECIAL ZONES

Where a Zone Symbol is followed by a dash and a number, (for example RM-1) there are special provisions that apply to the Zone. These special provisions are contained in the section of the by-law that applies to the primary zone.

2.4

DETERMINING ZONE BOUNDARIES

- i) A zone boundary shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or lane.
- ii) A zone boundary shown approximately in the centre line of a street or lane is considered to be the centre line of the street or lane.
- iii) Unless the location of a zone boundary is specified by dimensions on the zoning map, a zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.
- iv) A zone boundary shown following approximately a shoreline or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moves with any natural change in the shoreline.
- v) Where lands have not been identified as being in a zone on the Schedules, they shall be deemed to be in the Open Space (OS) Zone.
- vi) All lands below the surface of a waterbody or watercourse as of the date this By-law came into effect shall be deemed to be in the Open Space (OS) Zone.

2.5

COMPLIANCE WITH ZONING BY-LAW

No person shall change the use of any building, structure or land or erect or use any building or structure or occupy any land or building except in accordance with the provisions of this By-law.

Any use not specifically permitted by this By-law shall not be permitted in the Town of Cobalt.

In addition no person shall use any land or locate any building or structure such that the uses, buildings or structures on other lands would no longer comply with the provisions of this By-law.

2.6

HOLDING PROVISIONS

Where a zone symbol is followed by a dash and the letter "H" (for example: M-H), the lands shall only be used for existing uses and the expansion of those uses as of the date of adoption of this By-law.

Council may pass a By-law pursuant to Section 36 of the Planning Act to remove the Holding (H) Symbol, thereby placing the lands in the zone indicated by the Zone Symbol when all of the applicable following requirements have been met:

- i) the appropriate sanitary services have been approved to service the land;
- ii) all conditions of consent or subdivision have been fulfilled;
- iii) a site plan agreement has been registered on the title of the lands; and
- iv) the required permits from all other approval agencies have been issued.

SECTION 3
GENERAL PROVISIONS

3.1 APPLICATION

The provisions of this section of the By-law shall apply to all lands within the Town of Cobalt unless otherwise specified.

3.2 ACCESSORY BUILDINGS, STRUCTURES AND USES

3.2.1 Permitted Uses

Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use, provided the principle building, structure or use is already in existence on the lot, but shall not include the following:

- i) any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- ii) any building used for human habitation or an occupation for gain, unless specifically permitted by this By-law.

Legal non-conforming uses shall be permitted to have accessory uses, buildings and structures in accordance with the provisions in this Section of the By-law and the Provisions of the applicable zone.

3.2.2 Setback Requirements

Except as otherwise provided herein, in all Zones any accessory building or structure, which is detached from the principle building, shall be erected in compliance with the yard and setback requirements of the Zone in which such building is located, but shall not be closer to the front lot line or exterior side lot line than the principle building on the lot except where the lot abuts a waterway.

3.2.3 Lot Coverage and Height

Accessory buildings, structures and uses are permitted in all zones subject to the following provisions:

- i) The total lot coverage of all accessory buildings and structures on an individual lot may not exceed 75 percent of the gross floor area of the principle use unless specifically permitted by this By-law.
- ii) Within a Commercial or Industrial Zone, there may be a number of principle buildings. The total lot coverage of all accessory buildings or structures not used in the principle operation of the site shall not exceed 15 percent of the lot area and accessory buildings shall have a minimum size of 25 square metres.
- iii) The maximum height of an accessory building shall not exceed 5.0 metres
- iv) Notwithstanding the provisions of this By-law to the contrary, the height of an accessory building shall be measured from the average natural or finished grade and the highest part of the building.
- v) No object such as a trailer, storage container or ship container shall be used as an accessory building or structure in any Residential zone or the Downtown Commercial (C1) zone.

3.2.4 Permitted Encroachments

Accessory buildings and structures and ornamental features for main buildings and structures may only encroach into the required yard in a zone as outlined in Table 3.1. Where a required yard, structure or feature is not referred to on Table 3.1, the minimum required yard in the applicable zone shall be provided.

For the purposes of this section, where the exterior side lot line of a lot abuts a public lane, the side yard abutting that lot line shall be deemed an interior side yard for the purposes of determining compliance with this Section.

3.2.5 Accessory Dwelling Units

For any zone that permits a single unit dwelling, semi-detached dwelling, or townhome dwelling, the following additional dwelling units shall be permitted:

- i) Two dwelling units in a single unit dwelling, semi-detached dwelling unit, or townhome dwelling unit.

- ii) One dwelling unit in an accessory building which is accessory to a single unit dwelling, semi-detached dwelling unit, or townhome dwelling unit.
- iii) Where a single unit dwelling, semi-detached dwelling, or townhome dwelling is not a permitted use in a zoning, additional dwelling units shall only be permitted within the existing buildings on the lot.
- iv) Where two dwelling units are located in a main building of a single unit dwelling, semi-detached dwelling unit, or townhome dwelling unit and one dwelling unit is located in an accessory building, an additional dwelling unit in any building is prohibited.
- v) Accessory dwellings shall be not larger than 80 per cent of the gross floor area of the principle dwelling on the property.

3.2.6 Garages or Other Accessory Buildings or Structures

Notwithstanding the yard and setback provisions of this By-law to the contrary, a detached private garage or other accessory building or structure may be erected and used in an interior side or rear yard, provided that the following requirements are met.

i) Interior Side Yard

Where such accessory building or structure is located in an interior side yard, it shall not be closer than 1.0 metres to the interior side lot line.

ii) Rear Yard

Where such accessory building or structure is located in a rear yard, it shall not be closer than 1.5 metres to the rear lot line.

iii) Distance from Main Building

Where such accessory building or structure is located in a side or rear yard, it shall not be closer than 2 metres from the main building.

Buildings covered with cloth, plastic or similar flexible materials shall be required to meet the same requirements as permanent buildings and structures except one such building may be located in the front yard from October 1 to May 1 as a temporary garage.

3.2.7 Gate House in Industrial Zone

Notwithstanding the yard and setback provisions of this By-law, to the contrary, in an Industrial Zone, a gate house not exceeding 9.0 square metres shall be permitted in a required front or side yard or in the area between the street line and the required yard.

3.2.8 Ornamental Structures and Windows

Notwithstanding the yard and setback provisions of this By-law to the contrary, sills, chimneys, cornices, eaves, gutters, parapets, pilasters, windows or other ornamental structures may project into any required yard a maximum distance of 0.6 metres.

3.2.9 Drive-Through Service Facilities

A drive-through service facility shall be permitted as an accessory use to a permitted restaurant, financial institution, retail store, automotive service station, gas bar and automated car wash use, subject to:

- i) One drive-through service facility accessory to restaurants, financial institutions, retail stores and automated car washes may be located on a lot. Drive-through service facilities accessory to gas bars or service stations shall not be included in the calculation of the maximum number of drive-through service facilities permitted on a lot.
- ii) The requirements of Section 3.15.8 of this By-law shall be satisfied.

3.3 ACCESS ON IMPROVED PUBLIC STREET

3.3.1 Improved Public Road

No person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has frontage upon an improved public road, and such building or structure complies with the setback provisions of this By-law.

The above provisions shall not apply to prevent the erection of a permitted building or structure on an existing lot where a properly executed Agreement has been entered into with the Town, notwithstanding that the street or streets will not be assumed by the Town until the end of the maintenance period, nor shall it apply to prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure, which is located on a lot which does

not have frontage upon an improved public road, provided the use of such building or structure does not change and is permissible within the Zone in which it is located.

3.4 ESTABLISHED BUILDING LINE IN RESIDENTIAL ZONE

Notwithstanding any other provisions of this By-law to the contrary, where a dwelling is to be erected in a Residential Zone, between existing dwellings on the same street or shoreline, such dwelling may be built with a front yard and setback equal to the average yard of the adjacent dwellings on the same side of the street within 100 metres of the lot.

3.5 SPECIAL NEEDS HOUSING

Group Homes or Shelters or any other Special Needs housing shall be permitted in any zone

3.6 HOME OCCUPATION

Where a home occupation is permitted the following provisions shall apply:

- i) Not more than one person, other than a person living on the premises, shall be engaged in the occupation of the canvassing, delivering or distributing merchandise to customers.
- ii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 0.5 square metres, and located inside the dwelling to indicate to persons outside that any part of the dwelling or dwelling unit is being used for a purpose other than residential.
- iii) There shall be no goods, wares, or merchandise offered for sale or rent on the premises other than what is produced on the premises.
- iv) There shall be no outside storage of goods, materials, containers or animal enclosures used in conjunction with the home occupation.
- v) Not more than 25 percent of the gross floor area not including the basement of the dwelling or dwelling unit shall be used for the purposes of the home occupation, and such home occupation shall be conducted entirely within the detached dwelling or dwelling unit.
- vi) There shall be no mechanical or other equipment used except that which is customarily used in a dwelling or dwelling unit for domestic or household purposes or for use by a hairdresser or barber, dentist, drugless practitioner, physician, or other professional person.

- vii) A home occupation shall not include a boarding or lodging house, an eating establishment, or a facility offering accommodation or meals other than a Bed and Breakfast establishment.
- viii) A home occupation shall be secondary to the principle residence and shall not change the residential character of the lot.
- ix) One Home Occupation only shall be permitted in conjunction with a single detached dwelling.

3.7 HOME INDUSTRY

Where a home industry is permitted as an accessory use to a single detached dwelling in any zone the following provisions shall apply:

- i) A maximum of two (2) persons other than an occupant of the dwelling may be engaged in the home industry at any time.
- ii) Such home industry may be located in part of a dwelling or in any accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the home industry does not exceed a maximum of 100 square metres.
- iii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 1.0 square metres, to indicate to persons that any part of the dwelling or dwelling unit is being used for a purpose other than residential.
- iv) There shall be no outside storage of goods, materials or articles in the front or side yard. Any materials or equipment used in the home industry shall be parked in the rear yard and shall be covered at all times.
- v) Only currently licensed motor vehicles, associated with the home industry may be parked or stored on the lot within an interior side or rear yard.

3.8 LOADING SPACE REQUIREMENTS

3.8.1 Loading Space

Loading spaces are required under this By-law, in accordance with the Loading Space Requirement Table set forth herein, and the owner of every building or structure erected for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials shall

provide and maintain loading and unloading spaces on the lot accordingly. For the purposes of this By-law, each loading or unloading space shall be 15 metres in length, 3.5 metres in width and have a vertical clearance of at least 4.3 metres.

3.8.2 Loading Space Requirement Table

Gross Floor Area of Building	Loading Spaces Required
Less than 300 square metres	None
300 square metres to 2300 square metres or less	1 space
Exceeding 2300 square metres	2 spaces

3.8.3 Access

Access to loading spaces shall be by means of a driveway of at least 3.5 metres in width contained on the lot on which the spaces are located and leading to an improved public road.

3.8.4 Loading Space Surface

Driveways, loading spaces, and related aisles and turning areas shall be maintained with a stable surface that is treated to prevent the raising of dust. Such loading facilities shall, before being used, be surfaced with asphalt, concrete or brick and shall include provisions for drainage facilities. In Industrial Zones, a crushed stone or gravel surface shall be permitted except where such a use is abutting a Residential Zone or in a front yard.

3.8.5 Location

The loading spaces required shall be located in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres.

3.8.6 Additions to or Change in Use of Existing Buildings

The loading space requirements referred to herein shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased by more than 300 square metres. If an addition is made to the building or structure which increases the gross floor area, then additional loading spaces shall be provided as required by this Section, in accordance with the provisions of the loading Space Requirement Table for such addition.

3.9 MULTIPLE ZONES ON ONE LOT

Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of this said lot shall be used in accordance with the Zone provisions of this By-law for the applicable Zone as if it were a separate lot.

3.10 NON-CONFORMING USES

3.10.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was lawfully used for such purposes, prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose. Where the use ceases to exist for a period of two years, the use will be deemed to have been discontinued.

3.10.2 Permitted Exterior Extension, Alteration and Reconstruction

The exterior of any building or structure which was lawfully used prior to the effective date of this By-law for a purpose not permissible within the Zone in which it is located, prior to the effective date of this By-law, shall not be enlarged, extended more than 0.2 metres, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such Zone.

3.10.3 Permitted Interior Alteration

The interior of any building or structure which was lawfully used for a purpose not permissible within the Zone in which it is located prior to the effective date of this By-law, may be reconstructed or structurally altered, in order to render the same more convenient for the existing purpose for which such building or structure was lawfully used.

3.10.4 Restoration To A Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, lawful use of such existing building or structure unless these changes are necessary to provide for floodproofing of the building.

3.10.5 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use, for a purpose prohibited by this By-law, of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the Chief Building Official, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected.

3.11 NON-COMPLYING LOTS, BUILDINGS, STRUCTURES AND USES

3.11.1 Permitted Buildings or Structures

Where a building or structure is located on a lot having less than the minimum frontage and/or lot area, and/or having less than the minimum setback and/or side yard and/or rear yard required by this By-law, the said building or structure may be enlarged, reconstructed, repaired and/or renovated provided that:

- i) the enlargement, reconstruction, repair and/or renovation does not further reduce a front yard, and/or side yard and/or rear yard and/or lot coverage less than the minimum required by this By-law;
- ii) the building or structure is being used for a purpose permissible within the Zone in which it is located; and,
- iii) all other applicable Zone Provisions of this By-law are complied with.
- iv) any building or structure that legally existed as of the date of passing of this By-law that encroached on any required yard or setback a distance of 0.1 m or less or exceeds maximum lot coverage by 1.0 per cent or less shall be deemed to comply with the requirements of this By-law.

3.11.2 Reconstruction of Existing Building

Nothing in this By-law shall apply to prevent the reconstruction of any permitted building which is accidentally damaged or destroyed by causes beyond the control of the owner. Such permitted building may be reconstructed in accordance with the previously existing standards, even if such did not conform with one or more of the provisions of this By-law, but the non-compliance may not be further increased provided that the reconstruction occurs within 12 months of the damage being done.

3.11.3 Existing Undersized Lots of Record

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority such smaller lot may be used and a permitted building or structure, may be erected, altered and/or used on such smaller lot provided that all other applicable Zone Provisions of this By-law are complied with.

Lots which have been increased in size following passing of this By-law may also be used in accordance with this provision.

3.12 NOXIOUS TRADE

Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is defined as a noxious trade, business or manufacture under The Health Protection and Promotion Act, as amended, and the Regulations promulgated thereunder.

3.13 PARKING AREA REGULATIONS

3.13.1 Parking Space Requirements

The owner of land or of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain parking spaces for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises, from time to time.

Parking spaces are required under this By-law, in accordance with the Parking Space Requirement Table. Where the calculation of required spaces exceeds a whole space of more than .25, the required spaces shall be the next whole number.

3.13.2 Parking Area Surface

Non-Residential parking spaces, or multiple unit residential parking areas and driveways connecting the parking spaces or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall, before being used, be constructed of asphalt or concrete or similar material and shall include provisions for drainage facilities. In Commercial zones parking spaces for more than four vehicles shall be maintained with a concrete, asphalt or brick.

Residential parking servicing 4 or fewer dwelling units can include crushed stone or gravel.

3.13.3 Ingress and Egress Provisions

- i) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways of at least 3 metres in width but not more than 9 metres in perpendicular width.
- ii) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 metres.
- iii) The minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 7.5 metres.
- iv) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.
- v) Every lot shall be limited to the following number of driveways, namely:
 - (a) up to the first 15 metres of lot frontage, not more than one driveway;
 - (b) greater than 15 metres of lot frontage but not more than 30 metres of frontage, not more than two driveways with a combined width not exceeding 30 percent of the lot frontage; and,
 - (c) for each additional 30 metres of lot frontage, not more than one additional driveway.
- vi) Parking spaces shall have a minimum width of 3.0 metres and have a minimum area of 18.5 square metres. The length of any parking space and the width of the adjacent aisle shall be in accordance with the following:

Angle of Parking Space Perpendicular with aisle	Minimum Length of parking space	Minimum width of aisle
60 degrees to 90 degrees	6.2 metres	6.9 metres
45 degrees to 59 degrees	6.2 metres	5.2 metres

30 degrees to 44 degrees	6.2 metres	3.7 metres
0 degrees to 29 degrees	6.2 metres	3.0 metres

3.13.4 More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.13.5 Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback except that, where a Commercial Zone abuts a Residential Zone, parking shall not be located in the required yard between the two zones.

Within a Residential Zone, in the front yard or exterior side yard, the maximum width of a driveway or parking area shall be 7.0 metres.

3.13.6 Additions To, or Changes In, The Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any building or structure lawfully in existence on the date of passage of this By-law, so long as the gross floor area is not increased and the use or number of dwelling units does not change. If any addition is made to a building or structure which increases its gross floor area, then parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of the Parking Space Requirement Table.

3.13.7 Use of Parking Spaces and Areas

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only and for vehicles used in an operation incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted.

Notwithstanding the foregoing, the owner or occupant of any lot, building or structure in the Residential (R1) Zone may use the lot building or structure for the parking, storing or housing of one commercial motor vehicle or trailer provided that such vehicle does not exceed a 1000 kg capacity.

3.13.8 Parking in the Downtown Commercial Zone

Within the Downtown Commercial (C1) Zone shown on Schedule A, the required parking spaces may be provided on another lot within 200 metres of the boundary of the lot for which parking is required provided that there is a legal agreement between the owners of said lands providing the parking, the owner of the use requiring the parking and the Town of Cobalt that ensures that the parking will continue to be available as long as the use is in operation.

Within the Downtown Commercial (C1) Zone parking spaces shall only be required for commercial uses where those uses exceed 900 square metres in gross leaseable area.

3.14 PEAT EXTRACTION, PITS AND QUARRIES

The extraction of peat, establishment or operation of pits or quarries is prohibited within the area covered by this By-law, except in the locations permitted by this By-law, and in accordance with the provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, washing, screening, sorting or crushing rock, sand and/or gravel and or peat except as expressly provided for in this By-law.

3.15 PLANTING STRIPS

3.15.1 Location

Where a lot in a Residential (R3), Institutional, Commercial or Industrial Zone abuts an interior side or rear lot line of a lot in a Residential Zone, a planting strip adjoining such abutting lot line, or portion thereof, shall be provided within the Residential (R3), Institutional, Commercial, or Industrial Zone with a minimum width of 3 metres.

3.15.2 Contents

Such required planting strip shall be used for no other purposes than planting a continuous, unpierced hedgerow of trees, evergreens or shrubs, or solid fencing not less than 1.5 metres high, immediately adjacent to the lot line, or portion thereof, where such planting strip is required. The remainder of the planting strip shall be used for no other purpose than the planting of ornamental shrubs, flowering shrubs, flower beds, grass or a combination thereof.

The planting strip shall not be required where the lands are bedrock with little or no native soil.

3.15.3 Driveways and Walkways

In all cases where ingress and egress, driveways, launching ramps or walkways extend through a required planting strip, it shall be permissible to interrupt the planting strip within 3 metres of the edge of such driveway or within 1.5 metres of the edge of such walkway.

3.15.4 Landscaped Open Space

A planting strip or buffer screen referred to in this Section may form a part of any landscaped open space required by this By-law but shall not form part of a required yard.

3.16 PUBLIC USES

3.16.1 Public Services

Except as provided in paragraph 3.16.2. hereof, the provisions of this By-law shall not apply to prohibit the use of any lot or the erection or use of any building or structure for the purposes of public uses provided by the Town, or any Public Authority including any Department or Ministry of the Government of Canada or Ontario or any Conservation Authority established by the Government of Ontario and, for the purposes of this Section, shall include Ontario Hydro, any telephone, telegraph or cable TV company and any natural gas distribution system operated by a Company distributing gas to the residents of the Town, which company possesses all the necessary powers, rights, licenses and franchises.

3.16.2 Location Restrictions

Notwithstanding any other provision contained in this By-law to the contrary, where a public use is specifically mentioned as a permitted use within a specific Zone classification, then such public use shall only be

permitted within that Zone or Zones and shall comply with the Zone Provisions of the Zone or Zones in which the public use is permitted, save and except that there shall be no minimum lot area or lot frontage requirement. This provision shall not apply to Crown agencies.

3.16.3 Provisions

- i) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law;
- ii) The Zone provisions of the Zone in which the use is located shall be complied with except as otherwise provided in this By-law;
- iii) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot; and,
- iv) The building or structure shall be designed and maintained in general harmony with the uses permitted within the respective Zone.

3.16.4 Streets and Service Installations

Nothing in this By-law shall prevent land from being used as a street or highway, or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, overhead or underground hydro, communication line or high voltage electrical facilities owned, operated and maintained by Ontario Hydro or the Public Utilities Commission.

3.17 REDUCTION OF REQUIREMENTS

No person shall change the purpose for which any land, building or structure is used or erect any building, or structure, or addition to any existing building or structure, or reduce the area of any lot, if the effect of such action is to cause the original adjoining, remaining or new building, structure or lot to be in contravention with this By-law.

3.18 RESTRICTIONS ON DWELLING UNITS IN NON-RESIDENTIAL BUILDINGS

Notwithstanding any other provision of this By-law, to the contrary, no dwelling unit shall be located within a portion of a non-residential building which has gasoline or other flammable fluids or hazardous materials stored in bulk for commercial purposes or in conjunction therewith, and without limiting the generality of the foregoing, a dwelling unit shall not be permitted within a

building used for a motor vehicle service station, a motor vehicle repair garage, a motor vehicle body shop or a marine service shop.

3.19 SERVICES REQUIRED

No person shall erect or use a building or structure for a residential use on any lands except for lands in the Residential Type One (R1) or Residential Multiple (RM) Zone unless municipal sewage disposal and water supply services are available to the lot.

3.20 SIGHT TRIANGLES

On a corner lot fronting on two Town roads, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9 metres measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in The Highway Traffic Act, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and no land shall be used for the purposes of growing shrubs or trees in excess of 1.0 metres in height. Such triangular space may hereinafter be referred to as a “sight triangle”. Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the projection of the street lines or the intersection of the tangents to the street lines.

Where the lands are located in the Downtown Commercial (C1) zone or abut roadways where the posted speed limit is 40 KMPH or less, the site triangle may be reduced to 6.0 metres.

3.21 SIGNS

Unless otherwise specified, the provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-laws of the Town.

3.22 SPECIAL SETBACKS

3.22.1 Railways

No building or structure used for human habitation shall be located closer than 30 metres to the limit of a railway right of way to the main line of the CPR Railway.

3.22.2 Street Centre Lines

Where a lot abuts a road allowance less than 20 metres in width, the minimum setback from the street line shall be 10 metres from the centre line of the street plus the required front yard or exterior side yard within the zone.

3.22.3 Watercourses

Unless otherwise permitted by this By-law, no building or a leaching bed for a sewage system shall be located within 30 metres of the normal or controlled high water mark of any watercourse or lake. Unless otherwise approved under the Building Code Act.

3.23 TEMPORARY USES PERMITTED

A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones within the Town on the lot only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 30 consecutive days and/or the failure to maintain a current building permit.

3.24 THROUGH LOTS

Where a lot, which is not a corner lot, has lot frontage on more than one street, the setback and front yard requirements contained herein shall apply on each street in accordance with the provisions of the Zone or Zones in which such lot is located.

3.25 TRAVEL TRAILERS, MOBILE HOMES AND CAMPERS

Parking and storage of boats, recreational vehicles, trailers and similar vehicles shall only be permitted in the Residential zones subject to the following provisions:

- i) Boats, recreational vehicles and trailers shall be stored in the rear or interior side yard and must meet the setbacks required for an accessory building.
- ii) A recreational vehicle or trailer may be used for human habitation for no more than 30 days in any calendar year on a vacant lot.

- iii) In all other zones a recreational vehicle or trailer may be used for human habitation for no more than 30 days in any calendar year if there is an existing principal dwelling.

Mobile homes may be used as dwelling units only in a zone which permits mobile homes provided they have been constructed to CSA Standard Z240, Z241 or the equivalent and are located on permanent foundations with the running gear and towing equipment removed.

3.26 WATERSHED PROTECTION ZONE

Lands shown as the Watershed Protection Zone on Schedule A shall not be used for any purpose that generates any effluent, including sewage effluent or withdraws water from the ground or lake. Development on existing lots of record may be permitted in accordance with the zone regulations that apply to the lands only where the use is connected to full municipal services.

Within the Watershed Protection Zone there shall be not used for the storage or handling of:

- Commercial fertilizer
- Pesticide
- Road salt
- Snow storage
- Fuel
- Dense non-aqueous phase liquid
- Organic solvent
- Livestock
